The President presented to the Convention the report of the Committee appointed by the Convention of 1884 to propose a Psi Upsilon ritual, and a communication from the Judson Printing Company of New York, both of which were referred to the proper committee.

On motion of Bro. Herriman, seconded by Bro. McRoberts, it was resolved that "The delegate from the Omega be requested to state to the Convention the condition of the University of Chicago and the Omega Chapter, and that the making and consideration of such statement be the special order of business for the first session on May 7th."

The Committee on the Communication of the Executive Council asked that sections 2, 4 and 7 of the Communication be referred to the Committee on Unfinished Business, and section 12 to that on New Business. It was so ordered, and the Convention adjourned until Friday morning, at 10:30 o'clock.

**Friday, May 7th, 1886.**

**Morning Session.**

The minutes of Wednesday's sessions were read and approved.

Bro. Anderson, delegate from the Omega, in compliance with the Convention's resolution of Thursday afternoon, stated briefly the condition of the University of Chicago, particularly with reference to the efforts now making to raise funds for the continuance in that city of the institution, and of the situation and prospects of the Omega Chapter. The Chapter was reported as
in stronger condition than at some previous periods of its history, and Bro. Anderson's suggestion to the Convention was that it be allowed to go on for the present, pending the final adjustment of the affairs of the University, which was practically certain to be effected within the next year.

Bro. Bangs offered the following preamble and General Resolution which were referred to the Committee on New Business:

**WHEREAS**, in the present unsettled condition of the University of Chicago the continued existence of the Omega as an active chapter is of doubtful expediency; therefore,

**RESOLVED**, by the General Convention of the Psi Upsilon Fraternity, that the Executive Council be and is hereby authorized and directed to investigate the affairs of the Omega Chapter, with power in its discretion to suspend further initiations by said Chapter.

To which Bro. McRoberts moved as an amendment the following:

**RESOLVED, &c.,** That the following named committee of five; Judge Henry Booth (B, '40), William A. Gardner (A, '78), William T. Underwood (Φ '72), J. N. Ostrom (X, '76), and H. S. Oakley (ΙΙ, '85), be appointed to investigate the condition of the Omega Chapter and report immediately to the Executive Council.

The amendment was accepted by Bro. Bangs, and in its amended form the resolution was referred, under the rules, to the Committee on New Business.

Bro. Herriman, from the Committee on New Business, reported General Resolution No. I, which, after amendment, was adopted; and Nos. II, III, IV, V, VI and VII, which were severally adopted, (see page 8.)

Bro. Bridge, from the Committee on Unfinished Business, reported General Resolutions No. VIII and IX (see page 8) which were adopted.

Bro. Barton from the Committee on New Business reported Special Resolution No. 1 (see page 9), which was unanimously adopted.

Bro. Walker reported from the Committee on Chapter Relations the following General Resolution, which after debate was lost.  Ayes—3.  Nays—17.

**RESOLVED, by the General Convention of the Psi Upsilon Fraternity,** that it shall be the duty of every Chapter at some time during the first term of each college year to make a printed statement of all honors conferred upon its members; that a copy of this statement shall be sent to each of the Chapters and that said statement shall embody honors conferred,

1.—For excellence of scholarship.
2.—For pre-eminence in athletics.
3.—By the class as class officer.
4.—In any way not included under the above heads.

Special Resolution No. 2, (see page 9), presented by Bro. W. M. Kingsley (ΙΙ, '84), was unanimously adopted, after which the Committee took a recess until 2.30 p. m.
Bro. Harris, from the Committee on Nominations for the Executives Council, presented the following report, which was agreed to.

**EXECUTIVE COUNCIL, 1886-7.**

William M. Kingsley (A, '83).

Bro. Herriman, from the Committee on the Communication of the Executive Council, reported General Resolution No. XI (see page 8), which was adopted.

Bro. Barton, from the Committee on New Business, reported General Resolution No. XII, as follows:

WHEREAS, In the present unsettled condition of the University of Chicago, the continued existence of the Omega Chapter is of doubtful expediency. Therefore

RESOLVED, &c., 1. That a committee of five be and is hereby authorized and directed to investigate the affairs of the Omega Chapter and of the University of Chicago, to report from time to time to the Executive Council, and to make a full report upon the same to the next General Convention.

2. That this Committee be empowered in its discretion to suspend temporarily further initiations by said Chapter, pending further action by the Fraternity.

3. That this Committee consist of the following members: Henry Booth (B, '40); W. T. Underwood (F, '72); J. N. Ostrom (X, '76); W. A. Gardner (Ω, '78); Horace S. Oakley (Φ, '85).

On motion of Bro. Bangs, the resolution was amended by striking out the second section and substituting the following:

That upon the report of the said Committee to the Executive Council, the Council may proceed as provided in Article II, Section 7, of the Constitution.

In its amended form the resolution was adopted (see page 9), the delegate from the Omega not voting.

Special Resolutions Nos. 2, 3 and 4 offered by Bro. Richardson, No. 5 by Bro. Skerry, Nos. 6 and 7, by Bro. Barton, from the Committee on New Business, were unanimously adopted (see page 9), and after a brief statement by Bro. Bangs of the progress of the movement for a Psi Upsilon Club and club house in New York City, and a cordial invitation from Bro. Skerry to attend the Convention with the Delta in 1887, the Convention, at 4.30 p. m. adjourned sine die.

**HERBERT L. BRIDGE MAN,**  
President.  

**A. L. ROGERS,**  
Recorder.

NOTE.—The usual table of the yea and nay vote by Chapters is omitted. The Zeta, Lambda and Upsilon Chapters voted against tabling the General Resolution offered by the Committee on Chapter Relations, and the Beta, Gamma and Lambda against Resolution No. X. All other votes were in the affirmative.
RESOLUTIONS ADOPTED.

GENERAL RESOLUTIONS.

No. I—Resolved, &c., That the Executive Council is sustained in its refusal to allow the treasurer to pay to the management of The Diamond the $12.50 in question in General Resolution No. 9, of the Convention of 1885, owing to a misapprehension on both sides.

No. II—Resolved, &c., 1. That this Convention fully recognizes the earnest and faithful work of Bro. Allison in his conduct of The Diamond.

No. VIII—Resolved, &c., That the Committee appointed to prepare a Psi Upsilon Ritual be instructed to present its report to the Executive Council at a date not later than August 30, 1886; that the Council examine said report and, if upon such examination it shall approve thereof, it shall cause said report to be sent, type written, to each chapter for use during the collegiate year of 1886-7; provided, however, that such use by the chapters shall not be compulsory.

No. IX—Resolved, &c., That the Convention approves the action of the Council in regard to Bro. Smiley's claim.

No. X—Resolved, &c., That the Treasurer of the Executive Council is hereby instructed to pay from the unexpended balance of the treasury the sum of twelve dollars and fifty cents ($12.50) to George F. Allison, the business manager of The Diamond, Vol. IV.

Resolved, &c., That the Convention accepts the said offer and hereby authorizes and directs the Executive Council to take such proceedings as are
necessary to vest the title of The Diamond in the Fraternity after the termination of Vol. V.

No. XII—Whereas, In the present unsettled condition of the University of Chicago, the continued existence of the Omega is of doubtful expediency. Therefore

Resolved, That the Recorder be instructed to transmit a copy of this resolution to the family of Brother Willson.

No. 2—Resolved, &c., That the General Convention is aware, with true sorrow, of the illness of Hon. Chester A. Arthur, whose many years of membership and faithful devotion to the Fraternity have endeared him to all its members as one eminently loyal to the interests of Psi Upsilon.

THE COMMUNICATION OF THE EXECUTIVE COUNCIL TO THE 
GENERAL CONVENTION FOR THE FIFTY-THIRD 
YEAR OF THE FRATERNITY.

1. Membership.—The number of active members reported for taxation for the current year (Appendix A) was four hundred and two, a net increase of eleven over the membership for 1884-5.

2. Ritual.—The Committee appointed by the 50th Convention to prepare a Psi Upsilon ritual has not been heard from during the past year. Bros. Albert P. Jacobs (Φ, '73) and Albion W. Tourgee (ʔ, '62) are the surviving members.

3. The Diamond.—General Resolution No. 9 of 1885, provided that “the Treasurer be authorized to pay to the Diamond the sum of $12.50, the same being a deficit in the annual appropriation to the Diamond for the year 1884-5.” The Treasurer’s account showing that the whole appropriation for the year 1884-5 had been paid to the Diamond and received for, and that, therefore, no deficit existed, the Council directed the Treasurer to withhold the $12.50 mentioned.

Of the $100 appropriated to the Diamond for 1885-6, three installments, amounting to $75, have been called for and paid.

The Council suggests the purchase of the Diamond, if it can be made on reasonable terms, to the end that the magazine may be conducted under the immediate direction and supervision of the Fraternity.

4. University of Minnesota.—General Resolution No. 10 of 1885, having been referred to the Chapters, the application for a Chapter at the University of Minnesota was denied by the following vote, viz:

Aye—Delta, Beta, Sigma, Gamma, Zeta, Psi, Xi, Iota, Phi, Omega, Pi, Chi, Beta Beta, Eta; 15.

No.—Theta, Lambda, Kappa, Upsilon; 4.

5. Chapter Reports.—The statistical reports from the Chapters continue to be imperfect and irregular. Their defects in quality are distinctly traceable, in most instances, to the failure of the proper officers to make and preserve for reference duplicate reports as the rule requires.

6. Convention Records.—The Council has procured from Bro. C. W. Smiley the set of the records of the Conventions preceding the year 1872, referred to in the Communication to the Convention of 1885.

7. Bro. Smiley’s Claim.—Under Gen. Res. No. 17, of 1885, the Council rejected the claim of Bro. Smiley for compensation for services alleged to have been rendered by him in connection with the Supplementary Catalogue proposed in Gen. Res. No. 4 of 1882. Brother Smiley contends, as the Council understands, that the latter resolution constituted a contract between the Fraternity and himself; that subsequent action of the Fraternity was a breach of faith on its part, and that his services were worth $125, for which the Fra-
ernity is liable to him. The Council has agreed with Bro. Smiley to submit the controversy to the Hon. Joseph R. Hawley (Ψ, '47) for decision.

8. The Tenth Catalogue,—Immediately upon the organization of the Council, after the 52d Convention, negotiations were begun with Bro. A. P. Jacobs (Φ, '73), of Detroit, Michigan, resulting in his appointment on June 18, 1885, as Editor in charge of the 10th General Catalogue of the Fraternity proposed in Gen. Res. No. 18 of 1885. Progress was made in the work by Bro. Jacobs until October 27, 1885, when he resigned because of eye-trouble. The Council at once placed the further preparation of the Catalogue in the hands of one of its own members, Bro. Henry C. Johnson (X, '73), of Bethlehem, Penn.

The work has so far advanced under Bro. Johnson that with the addition of the degrees which will be conferred during the coming Commencement season the whole matter will be ready for the press and will be published early in the Autumn. The price will be $3.50 per copy.

The estimated cost of preparing and publishing the Catalogue exceeds $4000, of which there is on hand available about $1200. It is necessary, therefore, that the further sum of $2800 be raised or in some way provided for at once. The Council recommends a tax of $2 per active member payable on Nov. 1, 1886, which will in part make up the required amount; the balance should be provided for by advance subscriptions payable on the delivery of the book.

9. Song Book.—Six copies of the Song Book have been sold since the last report. Twenty-five remain on hand.

The Song Book Committee appointed in 1884 has continued in office; but if it has accomplished anything the Council has not learned of it. The members of the Committee are Bros. William D. Holmes, who resides at Bethlehem, Penn.; Geo. B. Penny, of Halifax, Nova Scotia, and Geo. E. Aiken, address unknown.

10. Graduate Clubs.—The Council learns of the proposed organization of an Alumni Association at Watertown, N. Y.

In New York City the Psi Upsilon Club is in process of organization. The promoters have already formed a corporation and have leased the house, No. 49 Wes 48th St., with the option of purchasing. It is intended that all graduates shall be eligible to election either as resident or non-resident members.

11. Finances.—The question of money is an important one for the proper conduct of the business of the Fraternity. At present the catalogue undertaking is a strain upon all our resources, and, until the book is published and its sales becomes a source of income, all other demands upon the general funds of the Council must be, in great part, suspended.

In the case of the catalogue of 1879, the proceeds of sale were retained by the Chapters, and no benefit accrued to the Treasury of the Fraternity. If, on the sale of the new catalogue, the money is paid to the Council by the purchasers, there will result a large fund, which may be used and re-used in such
future publications as may afterwards seem desirable, and so obviate any further extraordinary taxation.

No appropriation is needed for the Council Fund for the ensuing year.

The Convention is referred to the Treasurer's report, herewith submitted, for the details of the financial condition of the Fraternity.

12. The Council desires to record its appreciation of the service to the Fraternity of Rev. David B. Willson, a member of the Fourteenth Executive Council (1882-3), who died at Bradford, Pa., May 25, 1885. In the negotiations which were consummated in the establishment of the Beta Beta Chapter, in the efforts which secured that Chapter its permanent and commodious house, and in other duties, arduous and delicate, Brother Willson realized to a rare degree the high ideals and the noble principles of our Fraternity.
