A motion was adopted that this report be unanimously accepted and that the temporary recorder be instructed to cast one ballot for the election of the permanent officers nominated. The temporary recorder reported that the ballot had been cast and that the permanent officers had been elected.

President Burton assumed the chair and formally called the convention, as organized, to order.

He appointed as parliamentarian for this convention, R. Bourke Corcoran, Omega '15, life member of the Executive Council.

A motion was duly adopted, approving the RECORDS of the 1961 Convention and waiving the reading thereof.

The president called for the reading of the Convention Rules by William McPherson, IV, Phi '34, member of the Executive Council. On motion duly adopted, the Convention Rules were approved (see Appendix A, page 14).

Recorder Brush called the roll of the chapters and reported that 24 chapters were represented by delegates and that a quorum was present.

The Annual Communication of the Executive Council was read by Robert W. Parsons, Xi '22, member of the Executive Council. On motion duly adopted, the Annual Communication was accepted, ordered filed and referred to the Committee on Annual Communications and Unfinished Business (see Appendix B, page 16).

The president then appointed the following standing committees by customary rotation:

**Committee to Nominate Members of the Executive Council:**
- Peter T. Haskell, Jr., Beta Beta '63, Chairman
- John F. Schoenfelder, Eta '64
- Cornelius G. Sullivan, Jr., Tau '63
- Wilson W. Smith, Rho '63
- William E. Brown, Epsilon '63
- Richard M. Ross, Lambda '20, Executive Council

**Committee on Annual Communications and Unfinished Business:**
- A. Leigh Baier, Delta Delta '63, Chairman
- Peter G. Newman, Epsilon Phi '63
- R. Lawrence Frisby, Zeta Zeta '63
- John W. Howell, Epsilon Nu '63
- G. Richard Ryan, Epsilon Omega '63
- John F. Bush, Jr., Upsilon '22, Executive Council

*Page Four*
Committee on New Business:
David P. Norcross, Tau '63, Chairman
Robert H. Kotter, Delta '63
John D. Caldwell, Gamma '63
Dewey B. Crawford, Zeta '63
Franklin F. Bruder, Theta '25, Executive Council

Committee on Academic Standing and Awards:
Stephen R. Clineburg, Lambda '63, Chairman
Steven L. Brown, Psi '63
Thomas M. Jones, Upsilon '64
Lawrence W. Towle, Kappa '24, Executive Council
William B. Falconer, Jr., Delta Delta '49, Alumni Association

Committee to Foster, Protect and Improve Ritual and Tradition:
Charles S. Williams, Iota '63, Chairman
James S. Hale, Phi '63
A. Burr Cain, Pi '64
Webb Nichols, Chi '63
John R. Burleigh, Zeta '14, Executive Council

Rushing Committee A (smaller colleges):
Michael A. Laux, Gamma '63, Chairman
Malcolm G. Crawford, Theta '64
Guy J. Simmons, Lambda '65
Donald G. Sweeney, Psi '64
Dan H. Brown, Omega '16, Executive Council

Rushing Committee B (larger universities):
John R. Alshuler, Epsilon '65, Chairman
Peter V. V. Magee, Sigma '62
Randy L. Stotler, Omicron '63
Robert L. Joss, Theta Theta '63
Douglas H. Danziger, Epsilon Nu '63
William McPherson, IV, Phi '34, Executive Council

The president stated the following special committee had been appointed.

SPECIAL COMMITTEE

Special Committee to Investigate the Advisability of Psi Upsilon Fraternity Joining the National Interfraternity Conference:
Christopher M. Wiedenmeyer, Zeta '63
Brian King, Delta Delta '63
Douglas H. Graham, Epsilon Phi '63
Richard A. Lips, Epsilon Omega '63
Robert W. Parsons, Xi '22, Executive Council
Jerome W. Brush, Jr., Delta Delta '39, Executive Council

The president stated that the committees would hold meetings and prepare their written reports. On motion duly adopted, the convention recessed at 10:34 a.m.

The convention was reconvened at 11:19 a.m. President Burton called on Franklin F. Bruder, Theta '25, Treasurer of the Executive Council, who read the Annual Report of the Treasurer (see Appendices C, C1 and C2, pages 21-24). On motion duly adopted, the report was accepted, ordered filed and referred to the Committee on Annual Communications and Unfinished Business.
The president called for the report of the Committee on Annual Communications and Unfinished Business. A. Leigh Baier, Delta Delta '63, chairman, presented the following resolutions:

RESOLVED: That the Annual Communication of the Executive Council to the 1962 convention be accepted as submitted, with thanks to the committee.

RESOLVED: That the convention approve the payment of $500 to the Delta Chapter as a contribution toward the expense of running the convention.

RESOLVED: That the convention authorize the treasurer to transfer $4,500 of the Diamond Life Subscription Fund to cover the existing deficit in the Diamond Life Current Fund.

RESOLVED: That an allotment of 50¢ per undergraduate member of the fraternity, from the already existing Convention Fund, be divided among the four western Psi Upsilon Chapters (Epsilon, Theta Theta, Zeta Zeta and Theta Epsilon), each chapter to receive $132.00. In the event that any chapter eligible for an allotment fails to send a delegate to the convention, its portion of the sum shall revert to the treasury.

On motion duly made and seconded, the report was accepted, and the resolutions were voted.

Charles S. Williams, Iota '63, chairman of the Committee to Foster, Protect and Improve Ritual and Tradition, referred to General Resolution 14, adopted by the 1961 Convention, relative to the investigation of a recommendation that “sweetheart” pins be authorized. He moved the following resolution which was duly seconded:

RESOLVED: That the convention authorize the Executive Council to make available a “sweetheart pin” for those brothers who wish to obtain them, such pin to be smaller than the official badge but of the same diamond shape and to carry on the face of the pin the letters “Psi” and “Upsilon,” but omitting the clasped hands, that ancient symbol of friendship.

After discussion the resolution was defeated, 17 NAYS, 8 YEAS, 5 ABSENT.

David P. Norcross, Tau '63, chairman of the Committee on New Business, presented a preliminary report of his committee and proposed the following resolution:

RESOLVED: That the 1962 Convention send telegrams of greetings to Amos Alonzo Stagg, Beta '88, Earl D. Babst, Iota-Phi '93, Scott Turner, Phi '02, and Edward T. Richards, Sigma '27, and that it express regret to these devoted brothers that they are unable to attend the convention.

On motion duly made and seconded, the resolution was unanimously voted.

On motion duly made and seconded, the convention adjourned at 11:45 a.m. to reconvene at 2:00 p.m., Thursday, September 6, 1962.
The convention was called to order by President Burton at 2:50 p.m. Recorder Brush called the roll of the chapters and reported that 23 chapters were represented by delegates and that a quorum was present.

On motion duly made and seconded, the reading of the minutes of the preceding session was dispensed with.

Brother Williams, chairman of the Committee to Foster, Protect and Improve Ritual and Tradition, presented an interim report of his committee and recommended the adoption of the following resolution:

**RESOLVED:** That it is the will of the convention that Article VII of the Constitution of Psi Upsilon be meaningfully read at the first chapter meeting of each college year.

On motion duly made and seconded, and following discussion on the wording of the resolution, the roll call was 12 YEAS, 12 NAYS, 6 ABSENT. On motion duly made and seconded, the subject was referred back to the committee for rewording.

Robert L. Joss, Theta Theta '63, requested and received permission to address the convention. He stated that the Theta Theta delegates to the convention believed that the luncheon speaker, Wilson B. Heller, had inaccurate facts about the fraternity ratings at the University of Washington, and proceeded to make corrections in figures of membership which had previously been cited.

On motion duly made and seconded, the convention recessed at 3:13 p.m.

The convention was reconvened by the president at 3:55 p.m.

Stephen R. Clineburg, Lambda '63, chairman of the Committee on Academic Standing and Awards, made a temporary report and proposed the following resolutions:

**RESOLVED:** That the recorder of this convention be instructed to send a letter of commendation to the Theta Epsilon Chapter for having attained the highest relative scholastic standing in Psi Upsilon for the academic year ended June, 1961.

**RESOLVED:** That the Convention award the permanent plaque and the rotating cup for the academic year ended June, 1961, to the Rho Chapter for its outstanding academic achievement.

**RESOLVED:** That the award for academic improvement be awarded the Omicron Chapter for its significant improvement during the academic year ended June, 1961.

**RESOLVED:** That statements be sent by the Executive Council to both the president of the alumni body and of the undergraduate chapter, informing them of the convention's recognition of their low academic status and advising them to take steps toward its improvement. Copies of the resolution shall be sent to the following chapters: Sigma, Zeta, Psi, Iota, Beta Beta, Tau and Epsilon Nu.
On motions duly made and seconded, the report of the committee was accepted and the first three resolutions were duly adopted. The fourth resolution was defeated, 17 NAYS, 7 YEAS, 6 ABSENT.

Rushing Committee B (larger universities), reported that this committee felt that, for fruitful rushing, there is a great dependence on a well-known national name. It was stated that the name of Psi Upsilon Fraternity is not well-known in the Midwest or Far West especially, because of the sparsity of its chapters there. The recommendation of the adoption of the following resolution was made:

RESOLVED: That Psi Upsilon seriously explore the feasibility of expansion of its chapter roll in the Midwest and Far West.

On motion duly made and seconded, the resolution was adopted.

The president stated that he would appoint a Special Committee on Expansion to consider recommendations on implementing expansion in these areas at the following session of the convention.

On motion duly adopted, the convention adjourned at 4:25 p.m., to reconvene at 9:30 a.m., Friday, September 7, 1962.

MINUTES OF THE MORNING SESSION
FRIDAY, SEPTEMBER 7, 1962

HALL OF FAME THEATRE
NEW YORK UNIVERSITY
NEW YORK, NEW YORK

The convention was called to order by President Burton at 10:00 a.m.

On motion duly adopted, the reading of the minutes of the previous session was dispensed with.

Brother Towne, chairman of the Committee on Credentials, reported that delegates from 26 chapters had presented credentials and that the following four chapters were not represented by delegates: Kappa, Xi, Omega and Theta Epsilon.

On motion duly adopted, the convention recessed at 10:05 a.m.

The convention was reconvened by the president at 10:40 a.m. The recorder called the roll of the chapters and reported that 25 chapters were represented by delegates and that a quorum was present.

The president appointed the following special committee:

Committee on Expansion:

Robert L. Joss, Theta Theta '63, Chairman
Robert Scherer, Delta '62
Terry L. Stringer, Omicron '63
William M. McLeod, Zeta Zeta '64
R. Bourke Corcoran, Omega '15, Executive Council

Brother Clineburg, chairman of the Committee on Academic Standing and Awards, presented the final report of his committee and proposed the following resolutions:
RESOLVED: That each chapter establish and implement a schedule of regular meetings with its faculty adviser.

RESOLVED: That, insofar as critics of the fraternity system are encouraged in their attacks by low academic standing of individual fraternities, the convention of 1962 go on record that a primary responsibility of each chapter of Psi Upsilon be to maintain as high an academic standing as possible.

On motions duly made and seconded, the report of the committee was accepted, and the resolutions were separately voted.

Brother Towne, chairman of the Committee on Credentials, presented the final report of his committee and stated that it deeply regretted and was appalled at the failure of four chapters to be represented by delegates at this convention. He proposed the following resolution:

RESOLVED: That the recorder be instructed to send to the presidents of the alumni body and undergraduate chapter of the Kappa, Xi, Omega and Theta Epsilon Chapters letters expressing the convention's regret and appallment at the absence of delegates and at the lack of reasons presented for such absences.

On motion duly made and seconded, the report of the committee was accepted, and the resolution was unanimously voted.

Brother Williams, chairman of the Committee to Foster, Protect and Improve Ritual and Tradition, presented the final report of his committee. He proposed the following resolution:

RESOLVED: That each new member, immediately following his initiation, be required to familiarize himself with the spirit of the Psi Upsilon Fraternity, as expressed in Article VII of the Constitution of Psi Upsilon.

On motion duly made and seconded, the resolution was unanimously voted. Brother Williams stated that it was the recommendation of his committee that the Executive Council investigate the feasibility of unifying the chapter meeting ritual. On motion duly adopted, the report of the committee was accepted.

Michael A. Laux, Gamma '63, chairman of Rushing Committee A (smaller colleges), submitted the committee's report. He stated that the committee does not find itself concerned with the problem of national fraternity identification, as reported by Rushing Committee B (larger universities) in the Midwest and Far West, but that it is concerned with a problem of attitude. He pointed out that it is the attitude of certain small colleges, certain chapter alumni groups and, most particularly, the attitude of certain undergraduate members with which the committee is concerned. He explained that the problem appears to be one of individual initiative, and the basic failure is a lack of participation inherent both by alumni and undergraduate brothers in the rushing activities of the chapters. This, coupled with college rushing regulations and restrictions on many small college campuses, has created an atmosphere somewhat unhealthy for fraternities.

He recommended the endorsement of the recommendations of last year's Rushing Committee A, which stated: "(1) that the chapter should take a strong stand against the 100% opportunity system wherever and whenever possible; (2) that, because of the relatively small active brotherhood (average 37 members), the entire brotherhood should be required to attend all rushing meetings." He proposed the following resolution:

RESOLVED: That the delegates of the 1962 convention relay the feelings of this convention to the house presidents and rushing chairmen of the small college chapters that they investigate the rushing atmosphere on their
campuses and take steps to stimulate the rushing interest of the alumni and undergraduate brothers.

On motion duly made and seconded, the report of the committee was accepted, and the resolution was adopted.

Peter T. Haskell, Jr., Beta Beta '63, chairman of the Committee to Nominate Members of the Executive Council, presented the report of the committee, nominating the following brothers to serve on the Executive Council for the term expiring with the convention in 1967:

Robert P. Hughes, Delta '20
William McPherson, IV, Phi '34
Walter L. Marr, III, Epsilon Omega '56

A motion was adopted that this report be unanimously accepted and that the recorder be instructed to cast one ballot for the election of the brothers nominated. The recorder reported that the ballot had been cast and that those nominated had been elected.

Brother Norcross, chairman of the Committee on New Business, presented the following resolutions:

RESOLVED: That the Psi Upsilon Convention for 1963 be extended to three days.

RESOLVED: That a letter be sent to the Delta Delta Chapter of Psi Upsilon, in which it is suggested that it contact all other fraternities on this campus urging them to communicate with their alumni to exert severe pressure on the Williams administration to abandon any intentions it may have towards eliminating fraternities as they presently exist on said campus.

On motion duly made and seconded, the resolutions were adopted.

The president called for a report of the Special Committee to Investigate the Advisability of Psi Upsilon Fraternity Joining the National Interfraternity Conference. Brian King, Delta Delta '63, who had been elected chairman by the committee, proposed the following resolution:

RESOLVED: That the Psi Upsilon Fraternity join the National Interfraternity Conference and that the Executive Council apply for membership at once and take all necessary steps to comply with membership in the National Interfraternity Conference.

On motion duly made and seconded, the resolution was not passed, 12 YEAS, 12 NAYS, 1 ABSTENTION, 5 ABSENT. Chapters voting negatively were the following: Delta, Sigma, Gamma, Psi, Upsilon, Iota, Phi, Pi, Chi, Eta, Tau and Epsilon Nu.

On motion duly adopted, the convention adjourned at 11:52 a.m., to reconvene at 2:00 p.m., Friday, September 7, 1962.
MINUTES OF THE AFTERNOON SESSION  
FRIDAY, SEPTEMBER 7, 1962  
HALL OF FAME THEATRE  
NEW YORK UNIVERSITY  
NEW YORK, NEW YORK  

The convention was called to order by President Burton at 2:44 p.m. On motion duly made and seconded, the reading of the minutes of the preceding session was dispensed with.

Carl A. Beck, Delta '41, director of The Delta Corporation, requested and received permission to address the convention. He suggested that serious consideration be given to the establishment of long-range planning policies by the Fraternity.

The president called on Maxwell L. Scott, Pi '28, vice president of The Psi Upsilon Foundation, Inc., to address the convention on the subject of the Foundation. He discussed the Foundation and expressed the hope that growth of the principal funds would be achieved in order to enable larger awards to undergraduates in the future.

The recorder called the roll of the chapters and reported that 23 chapters were represented by delegates and that a quorum was present.

Brother Norcross, chairman of the Committee on New Business, presented the final report of his committee and offered the following resolution:

RESOLVED: That the Psi Upsilon Convention for 1963 be held with the Omicron Chapter at the University of Illinois.

On motion duly made and seconded, the resolution was adopted.

John R. Alshuler, Epsilon '65, chairman of Rushing Committee B (larger universities), called attention to General Resolution 8 of the 1961 Convention which reads as follows: "Resolved: That the rushing chairman of each chapter prepare a brief resume of its chapter's procedures, said resume to be circulated to every chapter, no later than April 1, 1962, in the hope that all may profit from this exchange of information." He recommended for his committee that the chapters seek as much alumni support as possible in helping to find prospective rushees. He also pointed out that another manner in which rushing might be improved would be to have an active summer rushing program, where college laws permit such a program, to include parties, personal contacts by one or two members of the active chapter and brochures, explaining the fraternity and its purposes. On motion duly adopted, the report of the committee was accepted.

Robert L. Joss, Theta Theta '63, chairman of the Special Committee on Expansion, proposed the following resolution:

RESOLVED: That Article III, Section 2 of the Constitution of Psi Upsilon be amended to read as follows:

The two-thirds vote of three-fourths of the Chapters shall be necessary for the establishment of a new Chapter of this Fraternity; propositions for such establishment may be laid before the Fraternity by the Convention or Executive Council;

and that Article III, Section 3 of the Constitution of Psi Upsilon be amended to read as follows:

Page Eleven
RESOLVED: That, if at any time in the future the Executive Council wishes to withdraw the fraternity from the National Interfraternity Conference, it is hoped that the Executive Council will consult with the next convention before taking any such action.

On motion duly adopted, the resolution was defeated, 14 NAYS, 7 YEAS, 1 ABSTENTION, 8 ABSENT.

Dan H. Brown, Omega '16, requested and received permission to address the convention. He praised Brother Burton for his great loyalty to Psi Upsilon and asked the convention for a rising vote of thanks to Brother Burton, who is retiring this year as president of the Executive Council. The rising vote was accompanied by thunderous applause by the convention delegates.

After affording an opportunity for further business, the president thanked the delegates for their courtesy and requested that the delegates report the proceedings of the convention to their chapters.

The president announced that, following the adjournment of the convention, the Committee to Foster, Protect and Improve Ritual and Tradition would preside at a formal meeting ceremony, with Wallace J. Knox, II, Phi '63, presiding.

There being no further business, a motion to adjourn sine die was duly adopted at 4:14 p.m.

Respectfully submitted,

JEROME W. BRUSH, JR., Delta Delta '39

Recorder
Appendix A

PSI UPSILON CONVENTION RULES

(As adopted April 7, 1892, and as amended by the Conventions of 1909, 1933, 1949, 1951, 1959 and 1961)

I

The delegate of the Executive Council, or, in the absence of such a delegate, one of the delegates of the Chapter with which the Convention is held, shall call the Convention to order and shall appoint a Temporary President and a Temporary Recorder.

II

The Temporary President shall appoint two Committees of three or more members each, as follows:
1. A Committee on Credentials.
2. A Committee on Permanent Organization.

III

The permanent officers shall be a President, three or more Vice-Presidents, a Recorder, and two Assistant Recorders.

IV

The Recorder and his Assistants shall record the proceedings of the Convention, and within twenty-four hours after the final adjournment shall transmit to the Executive Council the record and all papers relating to the business of the Convention.

V

When the permanent officers shall have been chosen, the Annual Communication of the Executive Council shall be read. The President shall then appoint standing committees of four or more members each, as follows:
1. The Committee to Nominate Members of the Executive Council.
2. The Committee on Annual Communications and Unfinished Business, which shall consider and report upon the matters embraced in the Annual Communication and the Treasurer's Report, as well as all measures considered, but not finally determined, by the previous Convention.
3. The Committee on New Business, which shall consider and report upon all new petitions or new business of any kind presented to the Convention.
4. The Committee on Academic Standing and Awards, which shall be responsible for determining the method that shall from time to time be established for the purpose of making such awards on the floor of the Convention (this Committee shall consist of five undergraduate members, each from a different Chapter of the Fraternity. The Executive Council and the Alumni Association of Psi Upsilon shall each be entitled to nominate one member on such Committee.)
5. The Committee to Foster, Protect and Improve Ritual and Tradition, which shall obtain information from individual Chapters relative to the ritual in connection with pledging, initiation or the opening and closing of Chapter
Appendix B

THE ANNUAL COMMUNICATION
OF THE
EXECUTIVE COUNCIL
TO THE
1962 CONVENTION OF PSI UPSILON
HELD UNDER THE AUSPICES OF THE
DELTA CHAPTER
NEW YORK, NEW YORK
SEPTEMBER 6 AND 7, 1962

Your Executive Council takes great pleasure in welcoming the delegates and
visitors to the 120th Convention of Psi Upsilon, held in our 129th year.

Our beloved fraternity was founded at Union College, the mother chapter, in
1833. The Delta founded in 1837 is our second chapter, and it was referred to as
"the first branch of Psi Upsilon" before the chapter designations were established.
History records that the first convention of the fraternity was held with the Delta
in New York City in 1841. The Delta has also been host to conventions in 1854,
1887 when it celebrated its half-century, and in 1907 and 1932.

This occasion marks the first time that a convention is held in conjunction
with a host chapter's celebration of 125 years in Psi Upsilon. During these 125
years there have been many illustrious alumni of the Delta Chapter. John Taylor
Johnston, 1839, First President of the Metropolitan Museum of Arts, President
of the Council of New York University and generous donor and patron of the
arts; Lawrence H. Mills, 1858, distinguished academic post of Professor of
Philology at Oxford University in England; William Morgan Kingsley, 1883,
member of the Executive Council 1884-1901, Treasurer of New York University,
President Board of Trustees Union Theological Seminary, President of the United
States Trust Company of New York; The patron saint currently is Dr. Orrin S.
Wightman, '95, a most distinguished medical administrator. The late Judge Edwin
L. Garvin, '97, who was the first President of the Psi Upsilon Alumni Association;
Frank Jay Gould, '99, recently deceased, who was one of the greatest benefactors
to the university and donor of a large Trust fund to the Delta; Dr. Henry Noble
MacCracken, '00, President Emeritus of Vassar College; Reinald Werrenrath, '05,
famous baritone, now deceased; Deems Taylor, '06, writer of American opera and
today still in demand by TV and the theater; General William Draper, '16, U. S.
Army, American Ambassador to the Marshall Aid program; General Frank L.
Howley, '25, in charge of the successful Berlin Air Lift and who knew how to talk
to the Russians.

The Delta Corporation, founded November 30, 1896, the alumni sponsoring
body, is one of the strongest alumni bodies of our entire chapter roll, financially
and otherwise.

New York University, host to this convention, has been a pioneering institu-
tion for 131 years having been granted its charter by the State of New York in
1831. It established the first university school of aeronautics, the first university
teacher-training school, and the first laboratory in the nation devoted to bacteriol-
ogy and pathology. In the university's old Gothic building at Washington Square,
Professor John W. Draper made the first photograph portrait by natural light and Professor Samuel F. B. Morse perfected the telegraph.

Today New York University includes fifteen colleges, schools and divisions at six different centers in Manhattan and the Bronx. It enrolls more than 40,000 students who come from the fifty states and ninety foreign countries. However, its individual divisions are small enough to assure intimate instruction and advisement for every student. A faculty of nearly 4,300 men and women teach approximately 2,500 courses leading to 30 different degrees.

Many fine buildings comprise the campus of New York University and one of the most graphically interesting sites is the Hall of Fame for Great Americans, given by the Psi Upsilon Gould family. New York University's new Research Center in Westchester will be completed shortly. In its Medical School, Jonas Salk and Albert Sabin developed the two vaccines to prevent the spread of polio.

RITUAL AND TRADITION:

One of the duties of the Executive Council is to furnish the means by which the traditions and ideals of Psi Upsilon may be carried from one college generation to the next, and so on during the years. In the year just past, your Committee to Foster, Protect and Preserve Ritual and Tradition has devoted the major part of its effort to the end that its work along this line may be more efficient and effective. The principal means to achieve this end is the visit of a member of Council to a Chapter. Each year there has been an increasing number of visits made to the Chapters. However, your Committee has felt that these visits can be made more productive of good to the Chapters and to the Fraternity as a whole. The Councillor making such a visit should carry with him a very real and vital message to the Chapter. The Chapter, in turn, can also bring its problems to the Council for whatever aid and advice it is possible for it to give.

Currently, much of the material coming out of the Chapter visit is statistical in nature and can well be obtained through a questionnaire sent prior to the visit. It is hoped that such visit will coincide with a Chapter meeting or made the occasion for a special meeting at which there will be a full and complete discussion of the affairs of the Fraternity and of the Chapter.

It is our firm belief that visits made in such a basis will be much more productive of good for all concerned.

UNDERGRADUATE SCHOLARSHIP:

The foremost objective of the American college and university continues to be, as it always has been, the intellectual development of its students. As an integral part of American higher education, Psi Upsilon stands firmly for the promotion of intellectual excellence. Every Chapter should keep this objective as its constant guide, both in the every-day life of its active members and in its selection of new members. Any man who fails to subject himself to the continuous discipline of serious intellectual effort is short-changing his college, his fraternity, and, above all, himself.

The Executive Council and the Alumni Association watch the scholastic attainments of our Chapters with keen and continuing interest. As a means of emphasizing the vital role of scholarship in undergraduate life and the concern of the Council and the Alumni Association in fraternity scholarship, the Convention of 1949 adopted general resolutions providing for the establishment of two chapter Scholarship Awards to be presented annually. One award is made to the Chapter having the highest academic standing for the academic year, the other to the Chapter evidencing the greatest academic improvement over the preceding year. The Award for Academic Distinction consists of a cup and a permanent plaque. The cup is held by the winning Chapter during the ensuing year and becomes the permanent possession of the Chapter that succeeds in winning it for three successive years. The Award for Greatest Improvement consists of a permanent plaque.

Page Seventeen
Since the Award for Academic Distinction was established in 1949, it has been won by the following Chapters:

1949 Iota 1955 Upsilon
1950 Rho 1956 Omega
1951 Lambda 1957 Theta Epsilon
1952 Iota 1958 Theta Epsilon
1953 Epsilon 1959 Theta Epsilon*
1954 Omega and Theta Epsilon 1960 Zeta Zeta

One of the functions of this Convention will be to select the recipients of these two Awards for the academic year ending in June, 1961.

The Executive Council:

The government of this Fraternity is vested in the Convention and in an Executive Council. The Convention is in session two or three days annually. For the remainder of the year the Executive Council is the governing body of the Fraternity, acting under the Constitution.

The Executive Council was instituted in 1869. Past Presidents of the Council are life members and retired members who have served fifteen years or more may be elected to honorary membership thereon. Living Past Presidents are: Earl D. Babst, Iota-Phi '93 and Scott Turner, Phi '02. Honorary Members are: Robert K. Northey, Nu '12 and R. Bourke Corcoran, Omega '15.

All members serve voluntarily. They pay the expenses of their own meetings, their traveling expenses in making official chapter visitations and attending conventions. Some members regularly travel from Chicago, Montreal, and other distant points to New York to attend council meetings. Eight well attended meetings have been held during the past year between October, 1961 and September 5, 1962.

The terms of three members of the Council expire with this Convention:

Robert P. Hughes, Delta '20
William McPherson, IV, Phi '34
Frederick A. Nichols, Omicron '29

Brother McPherson was elected by the Council in April, 1962, to fill the unexpired term of Dr. Albert C. Jacobs, Phi '21, resigned.

It was with great reluctance that the Executive Council finally accepted the resignation of Brother Albert C. Jacobs, Phi '21, as a member of the Executive Council. Brother Jacobs felt he was not able to give the time which he believed necessary to remain as an effective and active member of the Council. We all know that he will be subject to call to help us whenever the need arises, for his valuable advice has always proven to be most helpful.

Brother Frederick A. Nichols, Omicron '29, for geographical reasons has requested that his name not be submitted for re-election.

Chapter Visits:

During the past year, 23 of our 30 chapters were visited by members of the Executive Council. The five key problems all chapters appear to share in common are: Scholarship, Rushing, Selection of Pledges, Pledge Training, and Handling of Finances.

Rushing is the first essential step to campus leadership. The younger chapters have a harder fight to get the good men than the older established ones, but this can be achieved with perseverance and devotion. Previous scholarship ratings of the rushees should be carefully examined in an endeavor to ensure that no pledge would be debarred from initiation on account of poor scholarship.

Rushing is hard work but building pledges into good Psi U material for the coming initiation is ten times as hard and trying on the chapter workers. Loyal, long time Psi U's are made or lost by the time of their initiation. They will need

*Won permanent possession—a new cup was provided in the following year.
guidance and help in making grades. They will want to learn the history and songs of our great fraternity, and when the day of initiation arrives make it one that will live in their memories as a token of the honor and obligation they have assumed with the wearing of the Diamond badge. The Phi, the Gamma, the Xi, the Epsilon and many others are great chapters because they in one school year or less gave their initiates something to remember and to treasure in the days ahead.

How many men are required to carry a House financially? The answer must vary but on the average 45 or more would be close. Rent is a big expense but Food is always the top item on the chapter list. Some schools have a Co-op purchasing arrangement which is economical, particularly if aligned with a good cook. The matter of collecting is sometimes a problem and these late-payers or no-payers are certainly unfair to the rest of the chapter who are left to carry the full load. Northwestern and Williams have no problem, as all House accounts are turned over to the school as part of their regular collections from students.

Keep close to the Psi U alumni. The Epsilon Omega trustees are sponsoring a campaign to build a $250,000 House for that chapter and the 1,000 alumni in the Greater Chicago area are backing them up splendidly. History records no strong chapter with weak, uninterested alumni. The reverse is sometimes true, as a perusal of the reports discloses. Usually, strong alumni keeps a strong chapter up where it belongs—the inevitable slacking off is noticed in time and corrected before it becomes too serious.

Approximately one thousand of the finest young men in the college world are in our 30 chapters in the United States and Canada. We of the Executive Council have the responsibility of following their problems and, with the benefit of our experiences, to help in their solutions to the best of our ability.

We regret that we were unable to visit seven of our chapters this year.

1963 Convention:

It is incumbent on the 1962 Convention to decide which Chapter shall have the honor of acting as host to the 1963 Convention. The Omicron was next in line for the 1962 Convention but because it was the 125th Anniversary of the Delta it was willing to petition again at this year's convention. Following the Omicron in the order of customary rotation are the Theta, Beta Beta, Nu, Iota and Kappa. The younger chapters which have never sponsored a convention are: the Zeta Zeta, founded in 1935; The Epsilon Nu, founded in 1943; the Epsilon Omega, founded in 1949; and the Theta Epsilon, founded in 1952.

The Psi Upsilon Foundation, Inc.:

We are happy to report that this year our Fraternity Foundation has been able to make seven scholarship grants, one each to an undergraduate Brother of the Gamma, Kappa, Upsilon, Phi, Omicron, Delta Delta and Epsilon Phi Chapters. This represents a substantial increase over prior years in the total amount of scholarships and in the total amount of moneys involved. The recipients this year are top students academically, are active participants in college and fraternity extra-curricular functions, and have all established a genuine need for help in the financing of their college education. The alumni and undergraduate letters of recommendation relative to the applicants for scholarship were of great assistance to the committee established by The Foundation for the purpose of making the awards. Special thanks are due to our undergraduate Chapter officers and to the officers of the various Alumni Associations.

With the cost of college educations continuing to rise, the Psi Upsilon alumni have a very real opportunity to be of constructive aid by their generosity to The Foundation, gifts to which are legal deductions from gross income within the limitations of the Internal Revenue Act. All of the income of The Foundation is used for scholarship aid at the present time. In the future there may be other types of educational aid if and when the amount of the income will warrant other types of assistance. Thanks to all Brothers who have thus far contributed to The Founda-
tion, and a warm welcome from all of us to those Brothers who will come forward and join with us in this very worthy activity.

Psi Upsilon Today:

All legislative and executive powers are vested in our annual Conventions and the Executive Council. We hope that each of you will participate in this convention with distinction. Here you will have an opportunity to observe the purposes of your fraternity, i.e.: the inherent right of young men to choose their own friends for the promotion of the highest moral, social and intellectual excellence.

Psi Upsilon was founded in 1833 and flourished for over one hundred years—in a friendly atmosphere both from within and without. We are proud of our glorious past. Presidents of the United States, members of the Cabinet and the U. S. Supreme Court, Governors of States, numerous members of the U. S. Congress, eminent members of the clergy, bankers and leaders of industry have worn the badge of Psi Upsilon.

We are not bound by the glories of the past, nor will we succumb to the transitory social whims of the present. Today one of the colleges in which we have a chapter states: "the fraternity as known to previous generations has, in effect, ceased to exist." It further states: "the provision of housing, eating, and social accommodation is properly the responsibility of the college." Fraternities should be replaced by 'Units'—whose food, membership and social activities would be regimented by fiat. This would be forced intimacy. This must not happen. In the words of John Stuart Mill: "A state which dwarfs its men in order that they may be more docile instruments in its hands—even for beneficial purposes—will find that with small men no great thing can really be accomplished."

You are exclusive, "the chosen few," and the future of Psi Upsilon is in your hands.

Lucky is the man who wears the Diamond on his breast and has the opportunity to carry on the traditions of Psi Upsilon!

Yours in the bonds,

THE COMMITTEE OF THE EXECUTIVE COUNCIL OF PSI UPSILON ON THE ANNUAL COMMUNICATION TO THE 1962 CONVENTION

Benjamin T. Burton, Chi '21
Edward T. Richards, Sigma '27
Robert W. Parsons, Xi '22
Jerome W. Brush, Jr., Delta Delta '39
Franklin F. Bruder, Theta '25
Attached is the financial report for the year ended April 30, 1962. The securities in the investment portfolio at April 30, 1962 represented investments at cost of $128,921.44, which had a market value at that date of $173,681.87. Because of the uncertainty of the security markets, we have converted a substantial amount of the portfolio into cash, which is being held in a savings account until such time as the investment situation becomes more clarified for trust funds.

The statement of net worth shows a total income for the year ended April 30, 1962 of $29,124.05, approximately the same as the $29,112.43 of the previous year. Total expenses amounted to $43,654.26 this year as compared with $41,003.15 for the previous year, an increase of $2,651.11. Several areas showed increases, notably printing and mailing of the Diamond. The net deficit, therefore, from operations for the current year amounted to $14,530.21, as compared with the previous year’s deficit of $11,890.72.

In accordance with our past practice, it is recommended that $4,500 be transferred from the Diamond Life Subscription Fund to the Diamond Current Fund in order to defray the net deficit of the Diamond Life Current Fund of $3,823.87 for last year. This compares with the previous year’s transfer of the same amount, $4,500, when the net deficit amounted to $4,010.10. Proposal for the transfer of the amount of $4,500 this year will be presented in the usual manner to the Convention for its approval.

Although there is encountered some little difficulty in receiving the payment of chapter taxes and Diamond Life subscriptions, I appreciate the efforts of the chapter treasurers in co-operating with the Fraternity in having the amounts received prior to the seating of the delegates at the Convention.

Respectfully submitted,

Franklin F. Bruder, Theta ’25
Treasurer

1962 CONVENTION ATTENDANCE

The following were duly elected delegates to the 1962 Convention of the Psi Upsilon Fraternity, held with the Delta Chapter at New York University, New York, New York, on September 6 and 7, 1962, and presented credentials to the Committee on Credentials, certifying their election.

Resolutions Adopted

General Resolutions

1. RESOLVED: That the Annual Communication of the Executive Council to the 1962 convention be accepted as submitted, with thanks to the committee.

2. RESOLVED: That the convention approve the payment of $500 to the Delta Chapter as a contribution toward the expense of running the convention.

3. RESOLVED: That the convention authorize the treasurer to transfer $4,500 of the Diamond Life Subscription Fund to cover the existing deficit in the Diamond Life Current Fund.

4. RESOLVED: That an allotment of 50¢ per undergraduate member of the fraternity, from the already existing Convention Fund, be divided among the four western Psi Upsilon Chapters (Epsilon, Theta Theta, Zeta Zeta and Theta Epsilon), each chapter to receive $132.00. In the event that any chapter eligible for an allotment fails to send a delegate to the convention, its portion of the sum shall revert to the treasury.

5. RESOLVED: That Psi Upsilon seriously explore the feasibility of expansion of its chapter roll in the Midwest and Far West.

6. RESOLVED: That the recorder be instructed to cast a single ballot electing each of the following brothers:

   Robert P. Hughes, Delta '20  
   William McPherson, IV, Phi '34  
   Walter L. Marr, III, Epsilon Omega '56

   to the Executive Council for the term expiring with the convention of 1967.

7. RESOLVED: That the Psi Upsilon Convention for 1963 be extended to three days.

8. RESOLVED: That the Psi Upsilon Convention for 1963 be held with the Omicron Chapter at the University of Illinois.

9. RESOLVED: That Article III, Section 2 of the Constitution of Psi Upsilon be amended to read as follows:

   The two-thirds vote of three-fourths of the Chapters shall be necessary for the establishment of a new Chapter of this Fraternity; propositions for such establishment may be laid before the Fraternity by the Convention or Executive Council;

   and that Article III, Section 3 of the Constitution of Psi Upsilon be amended to read as follows:

   After three-fourths of the Chapters have sent to the Executive Council their ratification of the proposition for establishing a new Chapter, it shall be the duty of that body to prepare an exact copy of the Constitution and an act of incorporation certifying to the vote of the Chapters and with these documents to proceed in person, if possible, or, if not, direct some Chapter to appoint a Committee to meet the petitioners and administer to them the Fraternity pledge, with the usual ceremonies of initiation, by which they shall be invested with all the rights of a Chapter.

10. RESOLVED: That the Psi Upsilon Fraternity join the National Interfraternity Conference and that the Executive Council apply for membership at once
and take all the necessary steps to comply with membership in the National Interfraternity Conference.

**Special Resolutions**

1. **RESOLVED:** That the 1962 Convention send telegrams of greetings to Amos Alonzo Stagg, Beta '88, Earl D. Babst, Iota-Phi '93, Scott Turner, Phi '02, and Edward T. Richards, Sigma '27, and that it express regret to these devoted brothers that they are unable to attend the convention.

2. **RESOLVED:** That the recorder of this convention be instructed to send a letter of commendation to the Theta Epsilon Chapter for having attained the highest relative scholastic standing in Psi Upsilon for the academic year ended June, 1961.

3. **RESOLVED:** That the convention award the permanent plaque and the rotating cup for the academic year ended June, 1961, to the Rho Chapter for its outstanding academic achievement.

4. **RESOLVED:** That the award for academic improvement be awarded the Omicron Chapter for its significant improvement during the academic year ended June, 1961.

5. **RESOLVED:** That each chapter establish and implement a schedule of regular meetings with its faculty adviser.

6. **RESOLVED:** That, insofar as critics of the fraternity system are encouraged in their attacks by low academic standing of individual fraternities, the convention of 1962 go on record that a primary responsibility of each chapter of Psi Upsilon be to maintain as high an academic standing as possible.

7. **RESOLVED:** That the recorder be instructed to send the presidents of the alumni body and undergraduate chapter of the Kappa, Xi, Omega and Theta Epsilon Chapters letters expressing the convention's regret and appallment at the absence of delegates and at the lack of reasons presented for such absences.

8. **RESOLVED:** That each new member, immediately following his initiation, be required to familiarize himself with the spirit of the Psi Upsilon Fraternity, as expressed in Article VII of the Constitution of Psi Upsilon.

9. **RESOLVED:** That the delegates of the 1962 convention relay the feelings of this convention to the house presidents and rushing chairmen of the small college chapters that they investigate the rushing atmosphere on their campuses and take steps to stimulate the rushing interest of the alumni and undergraduate brothers.

10. **RESOLVED:** That a letter be sent to the Delta Delta Chapter of Psi Upsilon, in which it is suggested that it contact all other fraternities on this campus urging them to communicate with their alumni to exert severe pressure on the Williams administration to abandon any intentions it may have towards eliminating fraternities as they presently exist on said campus.
