Recess was then taken.

Recess

At 2 P. M. the members of Convention met informally at the Chapter House, Bro. Stiles (Θ ’04) presiding. Mr. Frank H. Phipps and Mr. Thomas N. Phelan, of the University of Toronto, were present. Mr. Phipps was introduced and spoke in behalf of the petition for a charter, answered questions addressed by various members, and thanked the assembly for its courteous hearing.

After Messrs. Phipps and Phelan had retired Mr. Edward M. Read was introduced and was heard on behalf of the petitioners for a charter at the Massachusetts Institute of Technology.

At 4 P. M. the Convention was called to order by the President.

Bros. Johnson (BB) and Wherry (Φ) reported progress for the Committees on Annual Communication and New Business.

The Committee to Nominate an Executive Council, through Bro. Stern (B), thanked the Council for its services and recommended that its members be elected for another year, as follows:

Announcement was made of the arrangements for the theatre party at the Van Curler Opera House in the evening, to be followed by reception and dance at the Chapter House.

A letter from the Mohawk Club was read, extending the hospitality of the Club to the members of the Convention. On motion the Recorder was instructed to express to the Club the thanks of the Convention.

Adjourned to Friday, May 15, 10 A. M.

FRIDAY, MAY 15, 1903.

The Convention was called to order by the President.

On the roll call every chapter was represented, as well as the alumni.*

The minutes of the previous sessions were read and approved.

The Committee on Annual Communication submitted eight General Resolutions and one Special Resolution, which, under suspension of the rules, were unanimously adopted (General Resolutions Nos. 1, 2, 4, 5, 6, 7, 8, 9, and Special Resolution No. 1). Another resolution proposed by the Committee was, on motion, amended by specifying a definite date (January 1, 1904), and, as amended, was unanimously adopted, under suspension of the rules (General Resolution No. 3).

The Committee also submitted the following minute concerning the late Brother George Washington Tuttle (Θ '36), which was unanimously adopted by a rising vote:

* Before the session began Bro. Cobb (Φ '77) was elected Second Graduate Delegate.
IN MEMORIAM

GEORGE WASHINGTON TUTTLE

For many years after the semi-centennial of Psi Upsilon the Fraternity rejoiced in the living presence of four of its seven founders. By the death of George Washington Tuttle that noble band is reduced to a sole survivor.

Brother Tuttle was but sixteen years of age when Psi Upsilon was born, and during his long life has rejoiced at her growing strength and honor. His sweetness of disposition and other charming qualities were noted by his comrades in college days and are now recalled to us by his classmate, Brother Martindale, after a lapse of nearly seventy years, during which the two had never met.

After the study of law and a long and successful business career, Brother Tuttle died on April 3, 1903, at his home in Bath, Steuben County, New York, where he passed his later years in peaceful content, with the highest esteem of his fellow townsman and a large circle of friends.

While we deeply regret our loss, we rejoice in his useful and honorable life, and his devotion to Psi Upsilon, and gladly pay to his memory our tribute of affectionate esteem.

The Committee on New Business reported General Resolution No. 10 and Special Resolutions Nos. 2, 3 and 4, which, under suspension of the rules, were unanimously adopted. Before the vote was taken on General Resolution No. 10, Bro. Giddings, Treasurer of the Council, explained the reasons for approving an increase in the tax for the general fund from one dollar to one dollar and a quarter.

The Committee also reported the following General Resolution:

"Be it Resolved, That the Executive Council be empowered to appoint a committee whose duty it shall be to visit Toronto University and the Society which is at present applying for admission to the Psi Upsilon Fraternity, and to submit to the Executive Council a full report of existing conditions at said University and said Society, together with an
expression of their opinion and judgment as to the advisability of estab-
lishing a chapter of Psi Upsilon at said University.

Further be it Resolved, That a copy of said report, opinion, and judg-
ment be forwarded to the several chapters by the Executive Council not
later than February 1, 1904."

A motion having been made and seconded that the resolution be adopted,
a general discussion followed, in which many of the delegates participated.
The motion was lost by the following vote:

Ayes—Theta, Delta, Beta, Gamma, Psi, Iota, Pi, Chi, Epsilon—9.
Noes—Sigma, Zeta, Lambda, Kappa, Xi, Upsilon, Phi, Beta Beta, Eta,
Tau, Mu, Rho, Omega, First Graduate Delegate—14.

Bro. Draper C. Bartlett (T '03) was elected to speak for the undergraduate
delegates at the banquet to be held this evening under the joint auspices of the
Convention and of the Psi Upsilon Alumni Association of North-Eastern
New York.

On motion the matter of maintaining a Fraternity headquarters at St.
Louis during the Exposition of 1904 was referred to the Executive Council.

A resolution was offered denying the petition for a charter of the Frater-
nity at the University of Toronto. On roll-call the resolution was unanimously
adopted (General Resolution No. 11).

Under suspension of the rules a resolution was offered and unanimously
adopted refusing the application for a charter of the Fraternity at the Massa-
chusetts Institute of Technology (General Resolution No. 12).

Upon the cordial invitation of Bro. Fish (P '03) it was unanimously voted
that the Convention of 1904 be held with the Rho Chapter, at Madison,
Wisconsin.

Bro. Morton M. Price (Θ '99) stated that Margaret L. Peissner, Registrar
of Union College, had just presented to the Theta Chapter an old parchment
scroll containing autograph signatures of members of the Chapter in the
classes of 1846, 1847, 1848 and 1849, including the autographs of President
Arthur ('48) and Frederick W. Seward ('49).

The scroll had been suitably framed for hanging. An appropriate letter
accompanied the gift.

It was voted that the thanks of the Convention and of the Chapter be sent
to Mrs. Peissner.

On motion of Bro. Fox (T '87) the Recorder was instructed to send a
message of affectionate regard to Bro. Edward Martindale (Θ '36), our sole
surviving Founder.*

* The following telegram was sent by the Recorder to Brother Martindale, Loma
Linda Hotel, Loma Linda, Cal.: "Psi Upsilon Fraternity, assembled in annual convention
with Theta Chapter, sends renewed love and greeting to its honored Founder."

A prompt reply was received as follows: "With many thanks, health and renown to
all Psi Upsilon.

Edward Martindale."
Announcements were made of the Convention photograph to be taken upon adjournment, luncheon at the Chapter House, visits to the Locomotive Works and the works of the General Electric Company, and trolley ride to the Hotel Ten Eyck, Albany, for the banquet.

After brief remarks by the President and the singing of "Dear Old Shrine," at 1 P. M. the Convention adjourned sine die.

CHARLES BARTON BRODRICK, JR.,
Recorder.

General Resolution No. 7.—Resolved, That the number of authorized printed copies of the Constitution be increased from fifty to sixty; that thirty
copies shall contain blank pages for signatures of initiates and shall be handsomely bound, and the others shall be bound in cloth, to be used by the Chapters as working copies.

General Resolution No. 12.—Resolved, That the application of Edward Mason Read, representing a local society, for a charter of the Fraternity at the Massachusetts Institute of Technology, Boston, Mass., be and hereby is refused.

SPECIAL RESOLUTIONS

Special Resolution No. 1.—Resolved, That a hearty welcome be extended on behalf of the Fraternity to the Epsilon Chapter.

Special Resolution No. 2.—Resolved, That the Recorder of the Convention be and hereby is instructed to write to the Mohawk Club and to the University Club, expressing our sincere appreciation of the cordial hospitality which they have so kindly tendered.

Special Resolution No. 3.—Resolved, That the delegates and visiting brethren attending this Convention tender to the Theta Chapter their most sincere thanks and hearty appreciation for the cordial reception and generous hospitality which all have so thoroughly enjoyed.

Special Resolution No. 4.—Resolved, That the Convention hereby tenders to Brother John Kendrick Bangs, Lambda ’83, sincerest sympathy in this his hour of bereavement;

And be it further Resolved, That a copy of this resolution be sent to Brother Bangs.
I. Membership. The active membership of the Fraternity on February 1, 1903, was 563, an increase of 39 since 1902. The table of membership bears for the first time the name of our new Chapter, Epsilon, which was duly installed at the University of California, August 18, 1902, by Brother George Henry Fox of the Executive Council, assisted by Brother Edward Anthony Mechling, Tau '99. On behalf of the Fraternity we extend to the new Chapter a hearty welcome to our councils.

II. In Memoriam. For the third time within recent years the Fraternity is bereft of a Founder. Brother George Washington Tuttle (Theta '36) died at his home in Bath, Steuben County, New York, April 3, 1903. Through a long and blameless life Brother Tuttle received and retained the esteem of all with whom he came in contact, showing in his kindly disposition, his genial character and his sterling integrity the full development of those qualities which made him in college days a typical Psi Upsilon. The Fraternity was officially represented at Brother Tuttle's funeral, and the Council suggests recognition and record by the Convention of his services and example.

By the death of Brother Tuttle, Brother Edward Martindale (Theta '36) becomes the last survivor of our seven Founders. We submit to the Convention a letter from Brother Martindale,* dated April 17, 1903, in reply to a notification of the death of Brother Tuttle.

During the past year death has also taken from us the following brethren, each of whom in a useful and honorable life exemplified those virtues which Psi Upsilon inculcates, and which it should be our constant aim to emulate: William Allen Butler, '48, of the Delta; William Henry Linus Barnes, '55, of the Beta; Horatio Gray, '49, and Arnold Green, '58, of the Sigma; Charles B. Andrews, '58, James Clay Houghton, '62, and William Wellington Tyler, '64, of the Gamma; John Jay White, '49, of the Lambda; Joseph Zweifel, '75, of the Xi; Charles Kendall Adams, '61, and Albert Eugene Mudge, '66, of the Phi.

III. Eleventh General Catalogue. There are still on hand 536 copies of the new Catalogue. About 260 copies paid for by the Chapters have

*See last page.
hot been distributed for the reason that applications have not been received from the members to whom they are credited. The addresses of recent graduates change so rapidly that it has been found inexpedient to forward copies of the Catalogue unless upon direct request. Only a few of the Chapters have sent for copies of the Catalogue for members initiated since February, 1899, although under General Resolution No. 11, of the Convention of 1901, it was provided that the names of all members added to the roll of the Fraternity since February 1, 1899, be inserted in the Catalogue, "and that the brethren there added be assessed the regular Catalogue tax of $2 per capita." The Council submit to the Convention for consideration the propriety of forwarding to the several Chapters the copies of the Catalogue already paid for by Chapter assessments and of prescribing some definite limit for retaining copies for the brethren whose names have been added to the roll since February 1, 1899, before offering the Catalogue for sale to other members of the Fraternity. In this connection the Council would also suggest that it might be well to provide for publishing annually a leaflet containing by Chapters the names, classes, symbols and residences of all members added to the rolls subsequent to February 1 of the preceding year.

IV. Tenth General Catalogue. Sixty copies of the Catalogue of 1888 are still undistributed. We recommend that a copy of this Catalogue, which contains much valuable information, be forwarded to each of the Chapters, and that the rest of the number, after reserving ten in the archives, be sold to such members of the Fraternity as may desire them.

V. Song Books. There remain of the latest edition of the Song Book (1891) about enough copies to supply the ordinary demands for another year; but by the next Convention it is believed some provision will be necessary for a new edition of the Song Book. The plates from which the last edition was printed have been preserved, and it may be that a new edition would require only the addition of a few pages to incorporate such songs as have become popular with the Chapters during the past twelve years. We recommend that action be taken to secure information from the Chapters during the coming year as to such songs as they would wish to have published in a new edition, and that estimates of the cost of a new edition be secured and a report made to the next Convention, giving in detail such facts as may enable the Convention to act properly in the premises.

VI. Fraternity Jeweler. Pursuant to General Resolution No. 9 of the Convention of 1902 the Council selected J. F. Newman, New York City, as the official jeweler of the Fraternity, and notice of the selection was sent to the Chapters. During the year 198 badges have been ordered through the Council. We regret that in some instances there has been unexpected delay
in filling orders, but we believe that another year all orders can be filled promptly and with satisfaction. The advantage of the new system has been evidenced in many instances by the opportunity afforded of correcting errors in the symbols.

VII. Copies of the Constitution. Under General Resolution No. 7 of the Convention of 1902 the Council were empowered to have fifty attested copies of the Constitution printed to be distributed among the Chapters. We have given much attention to this matter during the year, and have concluded that the number of authorized printed copies should be increased to sixty, of which one-half should contain, in addition to the Constitution, blank pages for signatures of initiates, and should be handsomely bound, and of which the other half should contain merely the Constitution, bound in cloth, to be used by the Chapters as working copies. Specimens of the paper proposed to be used and the style of printing and the character of the binding have been submitted to the Council, and it is hoped that the work may be performed to the satisfaction of the Chapters and, if possible, without any expense to the undergraduates. If the Convention approve the suggestion for increasing the number of copies the books will be ready for distribution at the opening of the next college year. The book containing blanks for signatures would be made to last for one hundred years. The work would be done by a member of our Fraternity under all possible safeguards for secrecy.

VIII. Archives. During the year, Brother Irwin, of the Council, has completed an examination of the archives and has made a catalogue of their contents. Among the archives are printed copies of the Convention records from 1876 to 1902, inclusive. Only a few copies remain of the earlier Conventions, but from 1880 down there are a number of duplicates. If any of the Chapters require copies of these records to complete their files they will be furnished upon request. There are also among the archives a large number of copies of the engraved frontispiece which appears in the catalogue of 1888. These copies are suitable for framing and might be furnished to any of the Chapters if desired.

IX. Applications for Chapters. We are advised that applications will be made to this Convention for Charters of the Fraternity at the University of Toronto, Canada, and at the Massachusetts Institute of Technology, Boston, Mass. It is possible that representatives from these institutions will appear at Schenectady and request a hearing, which we trust will be duly accorded.

X. Galusha A. Grow. Brother Galusha A. Grow (Gamma '44), the senior member of the National House of Representatives and Speaker of that body
from 1861 to 1863, author of the Homestead Law and other wise and benefi-
cent statutes, has retired from public service full of years and honor. His
fellow citizens of Susquehanna County, Pa., are publicly to testify next month
their appreciation of his character and service, and the Council suggest that
participation by the Fraternity in the occasion, if invited, would be graceful
and appropriate.

XI. SEVENTIETH ANNIVERSARY. Tuesday, November 24, 1903, will be
the Seventieth Anniversary of the founding of the Fraternity. The Council
recommend that the Convention authorize early and adequate measures for
the appropriate observance of the anniversary in the City of New York.

XII. TREASURER'S REPORT. The report of the Treasurer is presented
herewith.

Respectfully submitted,

H. L. BRIDGMAN
Geo. S. COLEMAN
Geo. HENRY FOX
Geo. WELLING GIDDINGS
John V. IRWIN

GEO. WELLING GIDDINGS,
Treasurer.
TO THE HONORABLE THE COUNCIL OF PSI UPSILON

The humble petition of the undersigned graduates and undergraduates of the University of Toronto, showeth:

1. That the Undergraduate life in the University of Toronto in the absence of a residence is of such a nature as to be conducive to the growth and development of fraternities.

2. That the Senate, the governing body of the said University, has shown its desire to foster fraternities by granting free sites to all fraternities wishing to erect chapter houses upon University land.

3. That chapters of five American College Fraternities established here have had a most vigorous and prosperous growth.

4. That the number of the undergraduates is so great as to necessitate the establishment of several additional fraternities.

5. That the friendly relations existing between the United States and Canada are continually being strengthened by the growth of their common interests.

6. That your petitioners, members of the above undergraduate body, being drawn together by mutual good-will and peculiar sympathies have founded a permanent fraternal organization.

7. That the strength and character of our organization render us capable of maintaining a Chapter of Psi Upsilon.

Your petitioners therefore pray that the Honorable, the Council of Psi Upsilon, may grant them a Chapter for the University of Toronto.

and your petitioners will ever pray.

UNIVERSITY COLLEGE,

Principal's Office, April 8, 1903.

DEAR SIR:—Some students of this college are applying for admission as a local chapter of $\psi \tau$: I have only to repeat what I said last year that I see no reason why you should not admit them: Mr. Burton '01 is a member of the Mathematical Faculty: Messrs. Phipps, Hay, Brody, Phelan, Hodgson, Honeywell well-known & conspicuous members of last year's class: the representatives of '03—'06 are students not likely to provoke regret, that you admitted them to your fraternity. I am

Yours truly

MAURICE HUTTON
Professor of Greek and Principal.

UNIVERSITY OF TORONTO,

President's Office, April 15th, 1903.

Geo. S. Coleman, Esq.,
Secretary of the $\psi \tau$ Fraternity,
2 Tryon Row,
New York City.

DEAR SIR:—Mr. E. F. Burton and others, graduates and undergraduates of this University, having informed me of their desire to establish here a branch of your Fraternity, I have much pleasure in endorsing their application. They are all of good standing and some of them have won considerable academic distinction.

Yours faithfully,

J. LOUDON,
President.

THE GRANGE,

Toronto, April 20th, 1903.

DEAR SIR:—I cordially repeat what I have already said, that I believe your Fraternity to be entirely worthy of incorporation in the $\psi \tau$, of which I have the honor to be a member. It will give me personally great pleasure if that incorporation should take place.

Yours very truly,

GOLDWIN SMITH.

Francis E. Brophey, Esqre., 97 St. Joseph Street, Toronto.
University of Toronto,
April 20th, 1903.

Geo. S. Coleman, Esqre.,
Secretary Psi Upsilon Fraternity,
New York, N. Y., U. S.

Dear Sir:—I am informed that certain young gentlemen of this University are making application to be permitted to found or establish a Chapter of the Psi Upsilon Fraternity at the University of Toronto. I am acquainted with those who are making the application, with some of them very well acquainted, and have much pleasure in saying that I entertain for them a very high regard. They are young fellows to whom the honor and well-being of any Fraternity might well be entrusted. In conceding them their request you will in the future have nothing to regret. They will with judgment safeguard admissions to the Fraternity and worthily maintain its best traditions.

Very truly yours,

Alfred Baker, M. A., F. R. S C.,
Professor of Mathematics, University of Toronto.

The Secretary, the General Council of the
Phi Upsilon Fraternity,

Dear Sir:—Mr. Gregory S. Hodgson informs me that he and some of his student friends have applied for a Charter from your distinguished Fraternity for a Chapter at the University of Toronto. I have the pleasure of knowing Mr. Hodgson, and a number of the young gentlemen who are associated with him in the application, both personally and officially, as a Professor in the Political Science Department, and your Council may safely assume that they will maintain the best traditions of your Fraternity as well academically as socially. The fraternity system appears to be an established
feature of student-life at the great Canadian Universities and I understand that the leading American fraternities are now represented at both McGill and Toronto. There is good material for an additional Chapter at our own University and I think your Fraternity may count itself fortunate in the character of the young gentlemen who desire to form a Canadian branch of your Order. I may add that I happen to know something of the peculiar conditions of the place as I have been a member of an American Fraternity for more than twenty-one years.

Yours faithfully,

McGregor Young.

To the Council of Psi Upsilon.

The petitioners for the establishment of a Chapter of Psi Upsilon at the University of Toronto are well known to me, as I visit their house quite frequently; and I should very much like to see them become part of your fraternity. They would be in a position immediately to compete with the other fraternities here, as their men are particularly qualified in every way for fraternity life.

(Sgd) C. M. Carson 
Assistant in Chemistry
University of Toronto.

APPLICATION FOR A CHARTER AT THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY.

BOSTON, Mass., April 26, 1903

To the Executive Council of the

Psi Upsilon Fraternity.

GENTLEMEN:—In reply to a letter to Mr. George S. Coleman, I was informed that application for a Chapter of Psi Upsilon should be made to you and taking advantage of that advice, I herewith send in the application. I represent a local Fraternity at the Massachusetts Institute of Technology which was formed with the object of obtaining a Chapter of your Fraternity—that idea having been suggested by one of your alumni. We shall be represented at your Convention to be held at Union College next May, when you may obtain any desired information concerning both ourselves and the Institute.

Very truly yours,

EDWARD MASON READ,
Chair. Executive Com
LOMA LINDA HOTEL,
LOMA LINDA, Cal., April 17th 1903.

GEORGE S. COLEMAN, Esqr.,
 Secretary of the Executive Com'tee of the Psi Upsilon Fraternity.

DEAR BROTHER COLEMAN:—Yours of the 4th instant is duly rec'd notifying me of the death of our dear Brother Tuttle. I would gladly comply with your request for some reflections on the peculiarly attractive qualities of our lost Brother's character appropriate to the occasion, but cannot hope to do the subject justice.

It has been my ill fortune that we have never met since we graduated, but he possessed lovely characteristics which one can never forget and which it is always pleasant to remember. He possessed that sweetness of disposition which made every acquaintance his warm friend, & a most genial temperament which made it a peculiar pleasure to know him.

In passing away he has left our Fraternity to lament him as one whom "none could know but to love him and none name him but to praise."

As I remember the friendship between him & our Brother John H. Beach of Saratoga Springs was something beautiful to see, while my own peculiar friend,—our classmate & example in all good things, was our dear brother Edward F. Cushman of Troy, N. Y., who was in very deed of the salt of the earth. I might name Harvey and Hadley and Goodale and Dayton and Brown and many others well worthy of special mention as scholars & Gentlemen; but you will know how to excuse my shortcomings & infirmities—which are by no means growing less.

With kindest regards, best wishes, & hearty Greetings to you & your Committee & all the Brethren;—quite decrepit, but

Sincerely yours,

EDWARD MARTINDALE.
